## Prayer List

Dear Parents,

Below is the list of prayers that your child should learn for his/her grade level. For a child to earn an invitation to our Prayer Party, he/she must learn all the prayers for their year as well as the ones in the previous years. Thus, a 3<sup>rd</sup> grader must learn not only what is under 3<sup>rd</sup> grade, but also what is listed under Pre-K through Sacrament. Thank you for working with your child on this task. The teachers will be checking students during the year to track their progress and they will give the office a list of all successful students to be invited to the end of year party.
